THE CLERK TO THE COUNCIL

7 January 2014

To Whom It May Concern

At a meeting of the Town Council on 11th December 2013, Mr Chris Scott from the Harwich Rock School Club made a presentation to members on the work of the Rock School, the opportunities it has given to young members of the community, and the difficulties in securing the necessary funding.

Hundreds of young local residents have successfully undertaken tuition and practical training in various aspects of the music industry; some of which have secured apprenticeships or full-time employment, as a result.

The Rock School Club is based centrally in Dovercourt, which is shown to be in an area of deprivation, with a high percentage of young people not in employment or education, and of high unemployment as referenced in various statistical reports. More information on the statistics can be obtained from Tendring District Council on 01255 686868. Previously, Harwich Town Council has financially supported the Rock School Club and is more than happy to wholeheartedly endorse their activities since it has been shown to have reaped many successes as a result of the hard work and dedication of this community organisation.

Yours sincerely

Lucy Ballard
